

MEMORANDUM

TO: GENERAL PUBLIC NOTICE
FROM: MICHAEL LANDIS, ASSISTANT CITY ADMINISTRATOR
SUBJECT: LAWN CLIPPINGS IN STREETS
DATE: MAY 18, 2021

The City of Gibraltar would like to ask residents to please be mindful when cutting grass and other shrubbery this season. Grass and plant clippings that are blown into the street can be damaging to the municipal stormwater system. Grass and other debris can get lodged in our pumps and clog up our catch basins. Additionally, the debris can create slick and dangerous riding conditions. Please bag and dispose of lawn remains in a responsible manner.

Thank you for helping us keep our City equipment and infrastructure working properly! By keeping our roadways clear of lawn debris, you are serving the community and making our roadways safer for everyone. Remember, it is all of our responsibility to help maintain and upkeep the City.

Thank you for your cooperation in making our City one that we are proud to call home.

Sincerely,

City of Gibraltar Staff
