

CITY OF GIBRALTAR NOTICE OF PROJECT PLAN PUBLIC HEARING

The City of Gibraltar will hold a public hearing for the purpose of receiving public comments and input regarding the proposed Drinking Water State Revolving Fund Project Plan. The public hearing will be held virtually at **5:30 p.m., Tuesday, June 7, 2022**. If interested in attending the public hearing, please contact mesedki@fishbeck.com for meeting access information.

The Project Plan focuses on two drinking water system projects:

- Project 1: Construction of New Water Main on Gibraltar Road
- Project 2: Replacement of Water Main on South Gibraltar Road

Project 1 consists of constructing approximately 3,750 feet of 12-inch water main on Gibraltar Road between the railroad tracks and West Jefferson Avenue to connect the two water districts and provide redundancy to the City's water system.

Project 2 will replace and upsize approximately 1,300 feet of 8-inch water main along South Gibraltar Road between Navarre Street and Gibraltar Road with 12-inch water main. The new water main will replace a segment of water main that is over 100 years old and help to remedy flow and water pressure problems in the system.

The estimated total project cost is \$2,897,000. The annual debt payment is anticipated to be \$178,787 over a 20-year period with a 1.875% interest rate. The City intends to bond for the project. The new loan is not anticipated to increase the debt or cause an increase in water and sewer rates since it will replace an existing debt payment of \$250,000 that ends in fiscal year 2023/2024.

All interested parties are invited to present comments on the proposed Project Plan. Written comments may be submitted to the City of Gibraltar, Attn. Clerk's Office, 29450 Munro Avenue, Gibraltar, MI 48173, or emailed to clerk@cityofgibraltar.net. Written comments must be received no later than **June 10, 2022**, for them to be considered part of the public record.

Starting on **Wednesday, May 4, 2022**, a copy of the draft Project Plan will be available for public review on the City of Gibraltar Website: <http://cityofgibraltar.net>. A hard copy will also be available for public review at City Hall, 29450 Munro Avenue, Gibraltar, MI 48173.
